Notes: Any player that trials for Southern Dragons but is not selected in a team, will lose their respective points should they have held them in previous years

Any player that is no longer in the Southern Dragons system (of their own accord) will lose one point for every year out of the system, beginning two years after they last played. For example, John Doe is worth 3 points in 2024, in 2026 John will lose one point and will be worth 2 points. In 2027, John will be worth 2 point.
